DESIGNED FOR LAW FIRMS

Office 365 Assessment & Roadmap

Do you need a more secure environment that will ensure all your sensitive information is safely stored and managed? ProServeIT understands that law firms have unique, sophisticated, and complex requirements for using Office 365 for email purposes. We have the experience and proven expertise to guide this journey in a cost-efficient and timely manner.

Our Office 365 Assessment and Roadmap engagement, specifically designed for law firms, is the first step you can take to transform your environment to meet industry standards. It will provide you with an assessment of your current environment, suggestions, and a roadmap for a successful deployment.

WHAT IS INCLUDED:

• A meeting (discovery session) to go over in detail the .Office 365 Email Solutions adopted by the largest law firms in Canada .
• A list of suggestions to transform your environment to meet industry standards, including compliance and security requirements.
• An Office 365 design document, created to meet your firm's specific needs and circumstances.
• A migration roadmap and next steps to creating a successful deployment.
• A final workshop and presentation.
• A report that will summarize the engagement.
